WARDROBE MEASURING GUIDE

With a few simple measurements you can design your wardrobe and help us deliver and have the DIY Wardrobe you want.
Take the following measurements and forward this with your order form. Note if you simply want one measurement there is no need to complete this form.
Measure the total width of the wall 1. in three places. i.e.. At floor level, at ceiling level, and mid level.
The three measurements will all be slightly different.
Measure from floor to ceiling in three different places, i.e. in each corner and then the middle of the wall.
Note the three measurements will all be slightly different.
Note we will be using ... the smallest measurement of the three when we make your wardrobe.
